**VERIZON DENIES COBBLESTONE IS ENTITLED TO ITS PRAYER FOR RELIEF**

Verizon denies the allegations contained in Cobblestone's Prayer for Relief and Verizon further denies that Cobblestone is entitled to any relief whatsoever, including any relief sought in paragraphs A through F of its Prayer for Relief. Cobblestone's Prayer for Relief should, therefore, be denied in its entirety and with prejudice, and Cobblestone should take nothing.

**JURY TRIAL DEMAND**

Verizon respectfully requests a trial by jury of all issues so triable, pursuant to Rule 38 of the Federal Rules of Civil Procedure.

**VERIZON'S DEFENSES**

Upon information and belief, and subject to its responses above, Verizon alleges and asserts the following defenses in response to the allegations of the Complaint, without admitting or acknowledging that Verizon bears the burden of proof as to any of them or that any must be pleaded as defenses. Regardless of how such defenses are listed herein, Verizon undertakes the burden of proof only as to those defenses that are deemed affirmative defenses as a matter of law. Verizon expressly reserves the right to amend or raise additional defenses pursuant to any docket control order as additional information becomes available through further investigation and discovery.

**FIRST DEFENSE**  
**(Non-Infringement of the '802 Patent)**

Verizon does not infringe and has not infringed the '802 Patent directly, indirectly, literally, or under the doctrine of equivalents, or in any other manner, and is not liable for infringement of any valid and enforceable claim of the '802 Patent.

**SECOND DEFENSE**  
**(Invalidity of the '802 Patent)**

The claims of the '802 Patent are invalid for failure to comply with the requirements of Title 35 of the United States Code, including, without limitation, 35 U.S.C. §§ 101, 102, 103, 112, and/or 116.

**THIRD DEFENSE**  
**(Statutory Limit on Damages)**

Cobblestone's claim for damages, equitable relief, and/or costs is statutorily limited by 35 U.S.C. §§ 252, 286, 287, and/or 288.

**FOURTH DEFENSE**  
**(No Willful Infringement)**

Cobblestone is not entitled to enhanced or increased damages for willful infringement because Verizon has not engaged in any conduct that meets the applicable standard for willful infringement.

**FIFTH DEFENSE**  
**(No Exceptional Case)**

Cobblestone cannot prove that this is an exceptional case justifying award of attorney's fees against Verizon pursuant to 35 U.S.C. § 285.

**SIXTH DEFENSE**  
**(Waiver, Equitable Estoppel, Acquiescence, Unclean Hands)**

Cobblestone's claims are barred, in whole or in part, or its remedies limited, by the doctrines of waiver, implied waiver, equitable estoppel, acquiescence, and/or unclean hands.

**SEVENTH DEFENSE**  
**(Prosecution History Estoppel)**

Cobblestone's claims for relief are barred in whole or in part by prosecution history

estoppel and/or prosecution history disclaimer based on amendments, statements, admission, omissions, representations, disclaimers, and/or disavowals made by the applicants for the '802 Patent.

**EIGHTH DEFENSE**  
**(Statutory Limitation)**

To the extent certain products accused of infringing the Asserted Patent are used by and/or manufactured for the United States Government and/or the public good, Cobblestone's claims involving Verizon may not be pursued in this Court and are subject to other limitations pursuant to 28 U.S.C. § 1498.

**NINTH DEFENSE**  
**(License, Implied License, Exhaustion)**

Cobblestone's claims for patent infringement are precluded in whole or in part (i) to the extent that any allegedly infringing products or components thereof are supplied, directly or indirectly, to Verizon by any entity or entities having express or implied licenses or covenant not to sue or assert the Asserted Patent and/or (ii) under the doctrine of patent exhaustion. Additionally, Cobblestone's claims for patent infringement are precluded in whole or in part by any direct licenses or agreements/covenants not to sue that pertain to Verizon.

**TENTH DEFENSE**  
**(No Injunctive Relief)**

Cobblestone's claims for relief are barred in whole or in part because Cobblestone is not entitled to injunctive relief. Any alleged injury to Cobblestone is not immediate or irreparable and Cobblestone has an adequate remedy at law.

**ELEVENTH DEFENSE**  
**(Failure to State a Claim)**

The Complaint fails to state a claim upon which relief can be granted.

**TWELFTH DEFENSE**  
**(Standing/Ownership)**

To the extent that Cobblestone was not the sole and total owner of all substantial rights in the Asserted Patent as of the filing date of the Complaint, Cobblestone is without standing to bring one or more claims in this lawsuit.

**VERIZON'S COUNTERCLAIMS**

Without admitting any of the allegations of the Complaint other than those expressly admitted herein, and without prejudice to the right to plead any additional counterclaims as the facts of the matter warrant, pursuant to Rule 13 of the Federal Rules of Civil Procedure, Cellco Partnership d/b/a Verizon Wireless (“Verizon”) asserts the following Counterclaims against Plaintiff Cobblestone Wireless, LLC (“Cobblestone”):

**THE PARTIES**

1. Verizon is a Delaware partnership with its principal place of business at One Verizon Way, Backing Ride, New Jersey 07920.

2. Upon information and belief, and based on Cobblestone’s allegations in its Complaint, Cobblestone Wireless, LLC is a Texas limited liability company with a principal place of business located at 101 E. Park Boulevard, Suite 600, Plano, Texas 75074

**JURISDICTION AND VENUE**

3. These Counterclaims arise under the patent laws of the United States, Title 35, United States Code. The jurisdiction of this Court is proper under at least 25 U.S.C. § 271 et seq., and 28 U.S.C. §§ 1331, 1338, and 2201-02.

4. This Court has jurisdiction over these Counterclaims pursuant to 28 U.S.C. §§ 1331, 1338(a), and 2201(a).

5. This Court has personal jurisdiction over Cobblestone, as Cobblestone consented

to personal jurisdiction by commencing this action for patent infringement in this judicial district.

6. Cobblestone has consented to venue in this Court by bringing this action against Verizon, and thus venue for Verizon's counterclaims is proper in this district, although a different venue may be more convenient to hear the dispute.

7. Cobblestone has filed suit in this Court against Verizon for alleged infringement of one or more claims of the Patent-in-Suit in this action. Accordingly, there is an actual, continuing, and justiciable controversy arising under the Patent Act, 35 U.S.C. §§ 1, et seq. between Cobblestone, on the one hand, and Verizon, on the other, concerning the alleged infringement by Verizon of the Patent-in-Suit.

8. Verizon denies that it directly or indirectly infringes any valid and enforceable claim of the Patent-in-Suit. In view of the foregoing, there exists an actual and justiciable controversy between the parties with respect to the alleged infringement of the Patent-in-Suit.

**FIRST COUNTERCLAIM – DECLARATION OF NON-INFRINGEMENT OF U.S.  
PATENT NO. 7,924,802**

9. Verizon realleges Paragraphs 1-8 as though fully set forth herein.

10. Cobblestone alleges that Verizon has infringed and continues to infringe at least claim 1 of the '347 Patent under 35 U.S.C. § 271(a).

11. Verizon denies that it infringes any valid claim of the '802 Patent.

12. Verizon does not make, use, sell, or offer to sell any product, system, platform, or service, that practices every element of any claim of the '802 Patent, including but not limited to claim 1, at least because Verizon does not make, use, sell, or offer to sell any product, system, platform, or service that performs, for example: (i) "a method of transmitting information in a wireless communication channel comprising:"; (ii) "transmitting first information across a first frequency range using a wireless transmitter, the first frequency range having a first center

frequency, a first highest frequency, and a first lowest frequency; and”; (iii) “simultaneously transmitting second information across a second frequency range using the same wireless transmitter, the second frequency range having a second center frequency greater than the first center frequency, a second highest frequency, and a second lowest frequency.”

13. For these, and other reasons to be established through discovery, Verizon denies that it infringes any valid claim of the ’802 Patent.

14. There is an actual and justiciable controversy between Cobblestone and Verizon arising under the Patent Act, 35 U.S.C. §§ 1, et seq., concerning Cobblestone’s allegations that Verizon infringes the ’802 Patent.

15. Verizon is entitled to a judicial declaration that it has not and does not infringe directly or indirectly, by inducement or by contribution, or under the doctrine of equivalents, any valid, enforceable claim of the ’802 Patent.

16. Absent a declaration that Verizon does not infringe the ’802 Patent, Cobblestone will continue to wrongfully assert the ’802 Patent against Verizon and thereby cause Verizon irreparable harm and injury.

**SECOND COUNTERCLAIM – DECLARATION OF INVALIDITY OF U.S.  
PATENT NO. 7,924,802**

17. Verizon realleges Paragraphs 1-16 as though fully set forth herein.

18. Verizon asserts that claims of the ’802 Patent are invalid for failure to satisfy one or more of the provisions of Title 35 of the United States Code, including, but not limited to 35 U.S.C. §§ 101, 102, 103, 112.

19. Accordingly, there exists an actual and justiciable controversy as to whether the claims of the ’802 Patent are valid.

20. Verizon requests a judicial determination and declaration that the claims of the ’802

Patent are invalid.

**RESERVATIONS**

Verizon reserves the right to supplement and/or amend its defenses as discovery proceeds in this case.

**REQUEST FOR RELIEF**

Defendants respectfully requests that this Court enter judgment as follows:

- a. A judgment dismissing Cobblestone's Complaint against Defendants with prejudice;
- b. A judgment in favor of Defendants on all of its Defenses;
- c. A judgement in favor of Verizon on all of its Counterclaims;
- d. A judgment denying any relief whatsoever, including but not limited to injunctive relief, in favor of Cobblestone;
- e. A judgment that Defendants have not infringed, contributed to the infringement of, or induced others to infringe, either directly or indirectly, any valid claims of the Patent-in-Suit;
- f. A judgment that this action is exceptional within the meaning of 35 U.S.C. § 285 and that Defendants are entitled to recover their reasonable attorney's fees upon prevailing in this action;
- g. An award to Defendants of their fees and expenses of litigation, including but not limited to attorney's fees and costs;
- h. A judgment limiting or barring Cobblestone's ability to enforce the Patent-in-Suit in equity;
- i. Such other and further relief as this Court may deem just and proper.

**DEMAND FOR JURY TRIAL**

In accordance with Rule 38 of the Federal Rules of Civil Procedure and Local Rule CV-38, Defendants respectfully demands a trial by jury on all issues so triable in this action.
